THE INNOVATORS BEHIND THE SCREENS

Holland Screens & Dynamic Ag Solutions
leads the way
with smart innovations that are breaking
new ground in the world of modern
screening systems.
We have developed each one of these
innovations ourselves because
innovating is just in our DNA.

OUR PRODUCTS: HORIZONTAL SCREEN SYSTEMS

PULL-CABLE SYSTEM

PUSH-PULL SYSTEM (Rack & Pinion)

VERTICAL TWIN ROLLER SCREENS

Insect Screens

What you get out of your greenhouse depends on what you let into it.

Keep pests out and let air in.
